KEYNOTE SPEAKER

BARON SCHWARTZ

Baron Schwartz attended Piedmont Virginia Community College from 1998–99 and transferred to the University of Virginia, where he completed an undergraduate degree in Computer Science. He remained in the Charlottesville area working as a computer programmer, specializing in database software and becoming an author and consultant. In 2012 Schwartz founded VividCortex, a technology startup company that developed innovative database performance management software. VividCortex was acquired by SolarWinds in 2019. Baron and his family live in Lexington, Virginia.

STUDENT SPEAKERS

GUADALUPE MONROY-FLORES

Guadalupe Monroy-Flores is graduating with a degree in general studies. Monroy-Flores is a first-generation college student from Mexico. She has served as a PVCC Student Ambassador and is a Natural Bridge Scholar (Boys and Girls Club), who received a full scholarship to PVCC. The scholarship will continue once she transfers. Monroy-Flores' goal is to transfer to George Mason University in the fall and major in social work. Ultimately, she would like to become involved in politics.

SHUGUANG "TONY" SONG

Tony Song is a first-generation college student who attended Dalian Medical University in Dalian, China. He was a thoracic surgeon in China for 20 years. He came to the United States with his daughter and wife in August 2021. He enrolled with Thomas Jefferson Adult and Career Education at PVCC to improve his English and completed the Nurse Aide FastForward program prior to earning a Virginia Nurse Aide license. He began work at the University of Virginia hospital as an anesthetist technician in October 2022. Song's goal is to earn a nursing degree or return to thoracic surgery. He volunteers at a local food pantry.

THE ACADEMIC REGALIA

The history of academic dress reaches back to medieval universities where the gown, the cap, and the hood signified the privileges and responsibilities of the scholars. The teaching guild was the guild of the master of arts; the bachelor was the apprentice of the master.

At Cambridge and Oxford universities, every detail of academic dress is subject to regulation by the university. At one time, Oxford tailors who did not comply with the rules could be punished by the vice chancellor of the university. European universities continue to show great diversity in academic dress. American colleges and universities, however, have followed a single standard of academic dress since 1895.

The gown has become a symbol of the democracy of scholarship as it covers dress indicating rank or social standing. Bachelor's and master's degree gowns have no trimming; the doctor's degree gown is faced with velvet and has velvet bars on the sleeves in colors to show the faculty or discipline to which the degree pertains.

The cap symbolizes freedom of scholarship. The symbol derives from Roman times when freed slaves had the privilege of wearing a cap. Academic caps feature a tassel, indicating the discipline of the wearer.

The hood is the forerunner to the present cap. Its colors denote the discipline represented by the degree and the college or university from which the degree was granted.

THE CEREMONIAL MACE

The Piedmont Virginia Community College mace was presented to the College by University of Virginia President Robert M. O'Neil in 1988. The gift honored PVCC President George B. Vaughan as he prepared to leave the College and also signified the close working relationship that had developed between the two institutions.

The mace is a traditional ceremonial staff that serves as a symbol of authority. It is carried by the most senior faculty member. The PVCC mace is made of silver and walnut and incorporates a Jefferson cup into its design. It was created by John J. Owen, retired vice president for development at the University of Virginia.

PVCC MEDALLION

The Piedmont Virginia Community College Medallion is awarded to persons who, through special acts or sustained service, have made extraordinary contributions to PVCC. The medallion is the highest nonacademic honor the college bestows. Recipients are:

PVCC MEDALLION (continued)

Bernard J. Haggerty (1984)
P. Joseph Jenkins (1985)
V. Earl Dickinson (1986)
Elizabeth H. Woodard (1988)
Dr. James R. Batten (1989)
W. A. Pace, Jr. (1993)
Grace H. Carpenter (1996)
Grace L. Tinsley (1997)

J. A. Kessler, III and
Barbara Bledsoe Kessler (2006)
Mary Helen Jessup, James L. Jessup, Jr.
and Suzanne Jessup Brooks (2007)
John T. Casteen, III (2010)
Kenneth W. Lawson (2012)
Jim Stultz and Cynthia Stultz (2022)

PVCC HONORARY DEGREE

The honorary associate of humane letters degree is awarded by Piedmont Virginia Community College to persons who have demonstrated exceptional support for education and exemplary service for the public good, both at PVCC and beyond. The honorary degree is the college's highest academic honor and has been awarded to:

John T. Casteen, III (1992)

EXPLANATION OF HONORS

Cum laude, with honors: 3.2–3.499 Grade Point Average

Magna cum laude, with high honors: 3.5–3.799 Grade Point Average

Summa cum laude, with highest honors: 3.8–4.00 Grade Point Average

The gold cord indicates a student who is graduating with honors (*cum laude*, *magna cum laude*, *summa cum laude*). These students are also identified in the program.

The red, white and blue cord indicates a graduate who is currently serving or has served in the United States Army, Navy, Air Force, Marine Corps or Coast Guard.

Graduates wearing a gold stole and tassel are members of the Alpha Epsilon Tau chapter of Phi Theta Kappa, the international honor society for two-year colleges. This silk stole and tassel are worn by graduating PTK members as a symbol of their outstanding academic achievement.

Due to time constraints with final grades for the spring semester, the honor distinction is based on the previous fall semester's cumulative GPA for the purpose of the ceremony and program booklet. However, diplomas will be ordered using the final cumulative GPA after all grades for the spring semester have been posted. The honor cords will be distributed to those students being honored on graduation night prior to the start of the ceremony. Honor cords are awarded to those who meet the GPA requirements for an associate degree or certificate. Career studies certificates are not eligible for honor cords.

PIEDMONT VIRGINIA COMMUNITY COLLEGE

2022 – 2023 GRADUATES

The degree and certificate candidates listed in this program were applicants for degrees and certificates as of April 1, 2023. The awarding of certificates and degrees is contingent upon completion of all program plan requirements.

CONGRATULATIONS

Class of 2023!

PVCC EDUCATIONAL FOUNDATION

SUPPORTING SUCCESS

Many of today's graduates received scholarships through the PVCC Educational Foundation. In some cases, scholarships allowed students to reduce the number of hours they worked and concentrate on their studies. Some students would not have been able to enroll at all without the scholarships they received.

The scholarships are made possible by generous individuals, businesses and organizations in Central Virginia who demonstrate their belief in the power of education with gifts to the Educational Foundation. Each year, the impact of these scholarships grows. In the 2022–2023 academic year, Foundation scholarships, along with a combination of state and federal grants, were utilized to support PVCC4U. 100%, a commitment by the College to cover the full cost of tuition and fees for low- to moderate-income students. The program made it possible to provide over \$642,000 to meet the unmet financial need of approximately 392 students. In addition to the PVCC4U. 100% program, the Foundation awarded over \$256,000 in scholarships to 160 students.

Named scholarships can be established with one-time or ongoing gifts of \$500 or more. Endowed scholarships also can be established with a gift of \$50,000 to provide a perpetual source of student assistance.

At Piedmont Virginia Community College, community means, among other things, a helping hand to students working hard to fulfill their higher education dreams.

PVCC MISSION STATEMENT

Piedmont Virginia Community College offers accessible, affordable, high-quality educational programs that promote student success and community vitality. Our mission is achieved through:

- Transfer programs that prepare students for admission to four-year colleges and universities and successful pursuit of a baccalaureate degree.
- Workforce programs that prepare students for employment or promotion in a career and promote a skilled regional workforce by meeting the training and educational needs of employers.
- Rigorous coursework and a full range of academic and student support services that assist students in achieving their educational and career goals.
- Developmental studies courses that prepare students for college transfer and career and technical programs.
- Community service that promotes community involvement, educational access and opportunities for residents of the region.

PVCC VALUES

Access to high-quality, affordable education to prepare students for transfer to baccalaureate degree programs, as well as for entry into or advancement in the workforce. A college education should be available to all.

Academic Rigor to develop each individual to his or her full potential. We insist on rigorous standards while providing a supportive environment in which students can achieve.

Student Success. We are committed to helping our students succeed. We measure our success by the skills and abilities of our students when they leave, rather than by their standing when they enter.

Community Impact. We develop innovative programs to meet the changing needs of our students and the business community, while contributing to the economic, civic and cultural vitality of our region, the Commonwealth of Virginia, our nation, and the world.

Professionalism. Our dedicated and knowledgeable faculty and staff are experts in their disciplines, excel at instruction, and are committed to helping students achieve their goals.

Intellectual Vitality. We engage our students and each other in well-reasoned inquiry, creative thinking, problem solving, and the exchange of ideas.

Diversity. We value and support the diversity of our students, faculty, and staff. We seek to promote an understanding and appreciation of differences by creating an inclusive environment embracing individuals with diverse backgrounds, experiences, and aspirations.
